

Battling For Bryan

Sponsorship | Donor

My name is Mike Kresch and I am seeking sponsors on behalf of the Battling for Bryan Golf Tournament. This event benefits Bryan and his family in his quest to defeat ALS.

Amyotrophic lateral sclerosis (a-my-o-TROE-fik LAT-ur-ul skluh-ROE-sis), or ALS, is a progressive nervous system disease that affects nerve cells in the brain and spinal cord, causing loss of muscle control. ALS is often called Lou Gehrig's disease, after the baseball player who was diagnosed with it. Doctors usually don't know why ALS occurs. ALS often begins with muscle twitching and weakness in a limb, or slurred speech. Eventually, ALS affects control of the muscles needed to move, speak, eat and breathe.

We are seeking a financial donation from five (5) "Tournament Sponsors" of \$1,000 each, to cover the cost of the tournament. Alternative sponsorship opportunities are available as well. We welcome any support you are able to offer for this great cause.
